Title: REVEALED - 2

Reading: Acts 16:6-15

1. Have you had a time when you knew exactly what God's purpose was for your life? How did you know? Are you still fulfilling that purpose? Paul had a purpose (Acts 9:15), he had a message (1 Corinthians 2:2-5) and he had the detail (Acts 16:6-10) – is that how it always happens? READ Ephesians 1:11-12 (The Message)
2. BELIEVE GOD'S PROMISES: READ 2 Corinthians 1:20. Have you ever had a NO in your life? How does that feel? *'God has it in his heart to say yes!'* Is that true? What is the significance of all God's promises being 'Yes' in Christ Jesus? What impact does believing this have on how you live each day – at home, college, work, church etc.?
3. SAY YES TO GOD'S PURPOSES: How might changing our understanding of the word 'AMEN' impact our prayers and what happens after we've prayed? What do you think happened in Lydia's life when she said AMEN to what Paul had to say to her?
4. SAY YES TO...
  - a. Putting others first – How could you do that?
  - b. Serving – Is there something new you could do to serve someone?
  - c. Talking about Jesus – How could you be a witness to the difference Jesus has made to your life? Who could you tell? Who could you invite?
  - d. To joy – Is it time to dance?
  - e. To \_\_\_\_\_ (fill in the blank) – What will you say YES to?
