Title: REVEALED – Wow!

Reading: Acts 2:22-32

1. What have been your biggest WOW moments (unexpected, surprising, leaving you speechless)?
2. **WOW starts with HOW:** What do you think convinced the first followers that Jesus had actually been raised from the dead? How do the small details in the story, and the eyewitness accounts, impact your belief? See Mark 15:21; 1 Corinthians 15:3-8. What about the accounts of the women?
3. **Let the HOW impact your NOW:** What difference should the ‘fact’ of the resurrection make on everyone who believes it is true? The first followers became bold – Acts 2:23-24; Acts 3:13-15; Acts 5:30-32. How could you live with a resurrection WOW approach to life – towards people, your work, family, neighbours, at church? What does resurrection sound like in your life each day?
4. **Turn NOW into a VOW:** The first followers became witnesses of the resurrection to everyone. How does resurrection change how you see and think about other people? How is your worship, witness, service different because of resurrection? Is there something you need to change? Is there someone you need to whisper ‘WOW’ to today?

Pray that the excitement of resurrection will never disappear in your life
