Title: Revealed - Unpacking the WOW

Reading - Luke 24:13-35

1. When was the last time you were 'Wowed' by Jesus? That He did something that changed your life?

2. The 'burdened heart'

The two disciples were experiencing anger, confusion, disappointment, despair and cynicism when they were at the beginning of their journey. It can be the same for us, sometimes life can be incredibly difficult and we feel as if things are hopeless. If you feel able, share a time or an event when this happened to you.

3. The 'burning heart'(Luke 24:32)

The two disciples walked with Jesus and as He began to share scripture with them their hearts began to burn with interest so much so they invited Jesus into their home.

How did you manage to progress past your 'burdened heart' stage to a 'burning heart'? Did it involve Jesus? What happened?

4. The 'bursting heart'

The two disciples invited Jesus into their home and into their lives. The result was a 'Wow' moment that changed everything. Similarly something about Jesus caused Zacchaeus to pursue Jesus and climb a tree!

What does 'climbing a tree' look like for you? What would it take for you to allow Jesus into your everyday circumstances? To treat each day as a metaphorical crossroads where we give permission to Jesus to reshape our understanding of Him and reveal more of His nature to us?

NOTES

Often our last revelation of Jesus was sometime in the past. Where do you need a fresh revelation of Jesus right now?

As a group spend time discussing and praying into this, creating space to wait on Jesus and seeing what he may do as you wait in his presence.
